

Lemon Loaf

Ingredients

LEMON CAKE

- 1½ cups cake flour
- 1½ cups all-purpose flour
- 2 teaspoons baking powder
- ¼ teaspoon baking soda
- 1 teaspoon salt
- 2¼ cups sugar
- 8 large eggs, at room temperature
- ¼ cup grated lemon zest (from about 4 lemons)
- ¼ cup fresh lemon juice
- 2 cups (4 sticks) unsalted butter, melted and cooled
- ½ cup sour cream, at room temperature
- 2 teaspoons pure vanilla extract

LEMON SYRUP

- ⅓ cup sugar Preparation
- ⅓ cup fresh lemon juice

Preparation

MAKE THE LEMON CAKE

Preheat the oven to 350 degrees F. Spray the sides and bottom of two 9-by-5-by-3-inch loaf pans with nonstick cooking spray. Line the bottom with parchment paper and spray the paper. Sift both flours, baking powder, baking soda, and salt together in a medium bowl. Put the sugar, eggs, lemon zest, and lemon juice in a food processor and pulse until combined. With the motor running, drizzle the butter in through the feed tube. Add the sour cream and vanilla and pulse until combined. Transfer the mixture to a large bowl. Sprinkle the flour mixture, one third at a time, folding gently after each addition until just combined. Do not overmix. Divide the batter evenly between the prepared pans. Bake in the center of the oven for 20 minutes, rotate the pans, reduce the oven temperature to 325 degrees F., and bake for another 30 to 35 minutes, or until a toothpick inserted in the center of the loaf comes out clean. Let cool in the pans for 15 minutes.

MEANWHILE, MAKE THE LEMON

In a small saucepan over medium heat, heat the lemon juice and sugar until the sugar is completely dissolved. Once dissolved, continue to cook for 3 more minutes. Remove from the heat and set aside. Line a half sheet pan with parchment paper and invert the loaves onto the pan. Use a toothpick to poke holes in the tops and sides of the loaves. Brush the tops and sides of the loaves with the lemon syrup. Let the syrup soak into the cake and brush again. Let the cakes cool completely, at least 30 minutes. (The soaked but unglazed loaves will keep, wrapped in two layers of plastic wrap and frozen, for up to 6 weeks.)

Artichokes Braised in Lemon and Olive Oil

Ingredients

- 1 lemon, halved
- 8 medium artichokes
- 3 small shallots, sliced into thin rings
- 1 carrot, finely chopped
- 3 garlic cloves, thinly sliced
- ¼ teaspoon fennel seeds
- ¼ teaspoon coriander seeds
- ½ cup extra-virgin olive oil, divided
- 1 ½ cups water
- 3 strips lemon zest
- ¼ cup fresh lemon juice, divided
- 2 tablespoons coarsely chopped flat-leaf parsley

Preparation

Preparation Trim artichokes into hearts: Add lemon halves to a large bowl of cold water, squeezing to release juice. Cut off top inch of 1 artichoke and bend back outer leaves until they snap off close to base (keep stem attached). Discard several more layers in same manner until you reach pale yellow leaves. Cut remaining leaves flush with top of artichoke bottom using a sharp knife. Trim dark green fibrous parts from base and sides of artichoke. Peel sides of stem down to pale inner core. Put in lemon water while preparing remaining artichokes. Cook shallots, carrot, garlic, and seeds in ¼ cup oil in a 4-to 5-quart heavy pot (pot should be wide enough to hold artichokes in 1 layer with stems pointing upward) over medium heat, stirring occasionally, 3 minutes. Add water, zest, and 3 tablespoons lemon juice and bring to a simmer. Stand artichokes in pot and season with 1 teaspoon salt and ¼ teaspoon pepper. Cover artichokes with wax paper, then a lid, and simmer over medium-low heat until bases are just tender when pierced with a knife, 20 to 30 minutes. Transfer artichokes to a dish and reserve cooking liquid. When artichokes are cool enough to handle, halve lengthwise. Scoop out and discard inner choke (fuzzy center and any sharp leaves). Heat 2 tablespoons oil in a 12-inch heavy skillet over medium-high heat until it shimmers, then brown cut sides of artichokes in 2 batches, about 2 minutes per batch, transferring to a serving dish. Add reserved cooking liquid to skillet along with remaining tablespoon lemon juice and remaining 2 tablespoons oil. Boil vigorously 3 minutes, then stir in parsley and pour over artichokes. Serve warm or at room temperature.
